

Easy, Online Fun-Foodie-Fundraiser for Your Church (USA only)

"My first gift choice is this DVD which is one of the most beautiful and educational productions I've seen. Award-winning TV host Cynthia Daddona hosts this cooking-lesson-tour-romantic-interlude from the Greek island of Santorini. This program is as much a travelogue as it is a cooking video. The videography is beautiful, Cynthia is an engaging host, and the recipes are oh-so tempting. If you can't take a trip to the Greek islands this year, this is the next best thing!"
